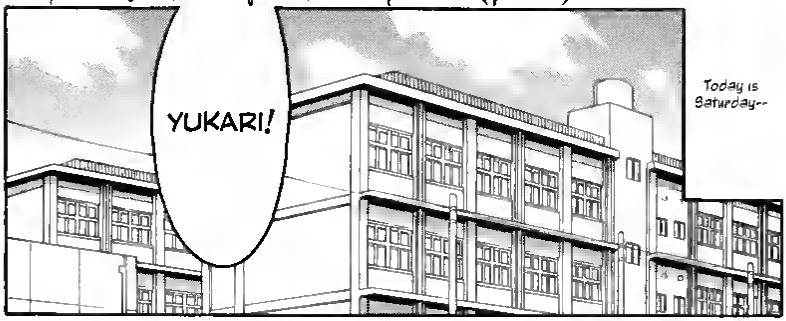
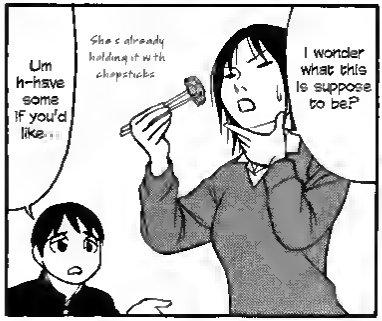
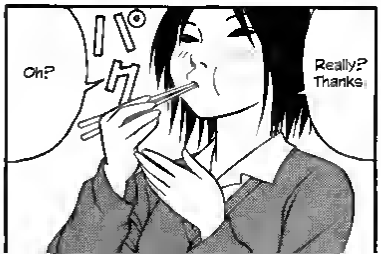
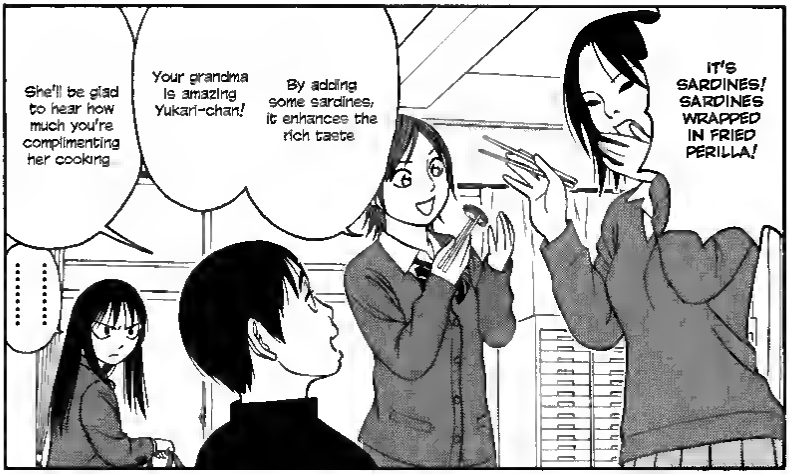
Chapter 58 The secret of the second year trio (Part 1)







Also boiled sweet cotte-foot
You also have seaweed egg rolls
Oh, those potato beef rolls with asparagus look very delicious!
And what is this---?



IT'S SARDINES! SARDINES WRAPPED IN FRIED PERILLA!
By adding some sardines, it enhances the rich taste
Your grandma is amazing Yukari-chan!
She'll be glad to hear how much you're complimenting her cooking
.....

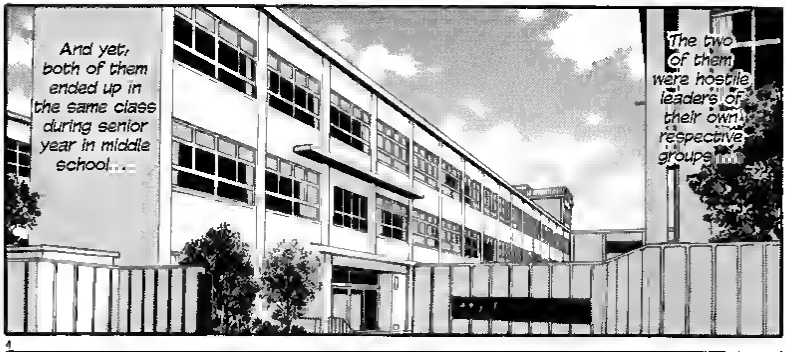
Isn't it power harassment to use your position as club seniors to eat all of your junior's side dishes?
Oh my, are you saying that because you wanted to eat them as well?
Bleh you're too late-- You'll eat the rest of his lunch!

2

Ah, prez get this
Ah, those two ate Oe-kun's side dishes again right

ガラガラ
YOU TOO, OE-KUN, RESIST A LITTLE MORE!

Kamo-chan, Miwa-chan,
Be more considerate! You should at least exchange some of your own side dishes as well!
Chen!
Alright
You know I always wondered about this, but why did a person like President Hino become friends with the likes of those two?
"The likes of those two"?
She's really a rude girl!
I get how those two get along so well, since they are quite alike.
Huh?
It's the other way around
The two of them didn't get along at all during middle school
What?
Ugh...
Ahahaha hahahaha
Pfft
?



And yet, both of them ended up in the same class during senior year in middle school...
The two of them were hostile leaders of their own respective groups.

I was the class representative of that class.

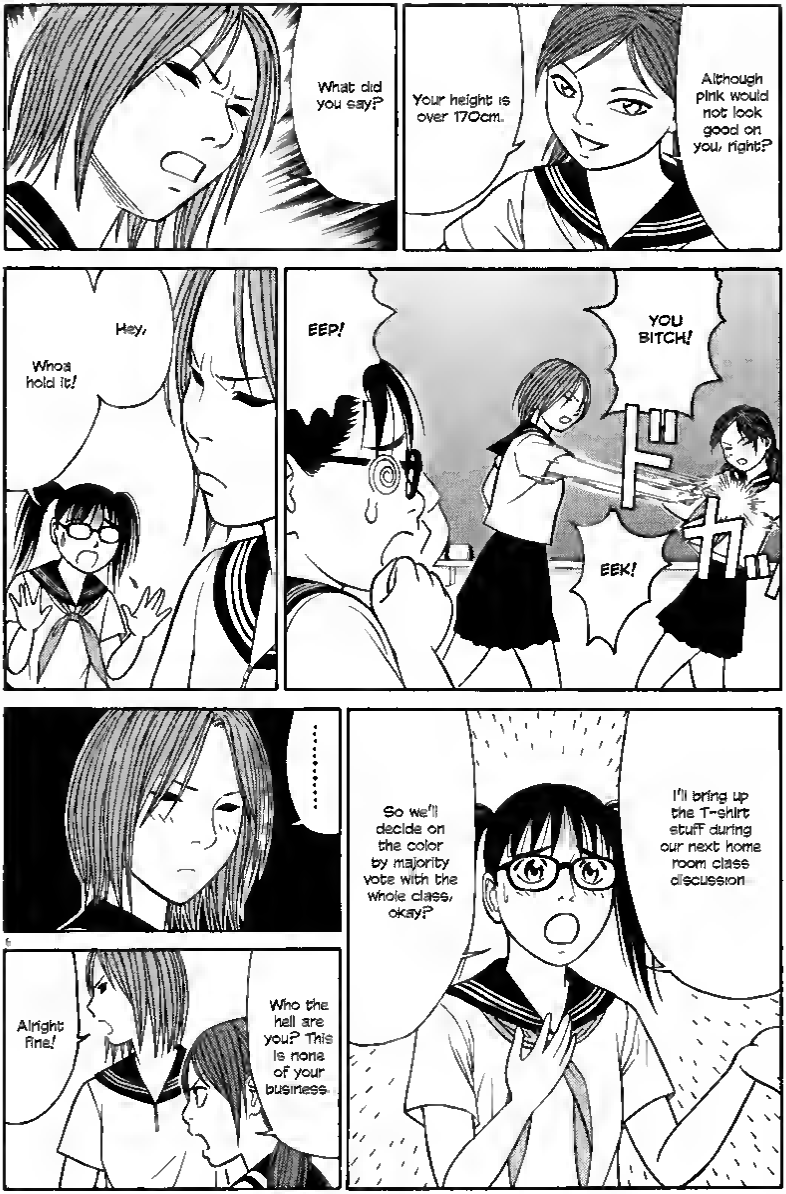
The Secret of the Second Year Trio (Part 1)
Hobo-1

It's gotta be pink!
BLACK IS SOOO LAME!
SO IT'S GONNA BE BLACK GOT IT!
THERE'S NO POINT IF YOU DON'T LOOK STRONG TO INTIMIDATE YOUR ENEMIES!
Hmph
Go ahead and try it if you can!
I guess I gotta beat the crap out of you to make you understand
How did it turned out like this...?
Even though this was supposed to be a discussion about making an original T-shirt as a class uniform to change into during our ball games...



What did you say?
Your height is over 170cm.
Although pink would not look good on you, right?
Hey,
Whoa hold it!
EEP!
YOU BITCH!
EEK!
.....
So we'll decide on the color by majority vote with the whole class, okay?
I'll bring up the T-shirt stuff during our next home room class discussion
Who the hell are you? This is none of your business.
Alright fine!

Let's go.
I'm okay with that.
We'll vote tomorrow during homeroom
Eh?
It's all ruined now.
...Jeez.
Wait. What?
Hmmm.
Kyoko Kamo and Shiori Miwa right?
Yeah I've heard of them.
書道教室

Kyoko Kamo is the girl who rose up to leader of all the delinquent girls. She's also feared by the boys because of her fighting strength
And those delinquent girls are at constant odds with Shiori Miwa's clique
She hangs out with the other cute girls, and she's the type of girl who is always going to Shibuya
You sure know a lot, Yoshimi. Even though you're not in the same class
I've heard that much about those two
Anyway it sure sucks to be you.
You ended up in the same class with those two girls
Ugh
And of all things you were chosen to be their class rep

When we vote, the boys won't pick pink.
We got this in the bag.
Are there any other suggestions?
Alright then, people have suggested black and pink for the T-shirt color.
Yes, Sokabe-kun
.....
WINK
.....
Okay, I'll add red then.
黒
ピンク
赤
So how about red...?
Um...I've seen other classes using black.
Any others?

Alright then let's put it to a vote.
People in favor of black?
1, 2, 3, 4, 5, 6.....
Just like I thought A lot of the boys are raising their hands
Yeah, but there are some who are not voting here and there.
18 votes for black
Now then people in favor of pink.
No votes for pink.
What?

!
Then people in favor of red?
The kind with kanji using a bunch of strokes lined up
This way, we won't have you taking the lead and making delinquent-like shirts.
That bitch, she got us!!
Huh? All those chicks from Miwa's clique are raising their hands for red!?
So with 22 votes, the color for the T-shirt will be red.
16, 17, 18, 19, 20, 21, 22
...13, 14, 15,

Sigh--
I wonder if the T-shirt incident will be over with this...?

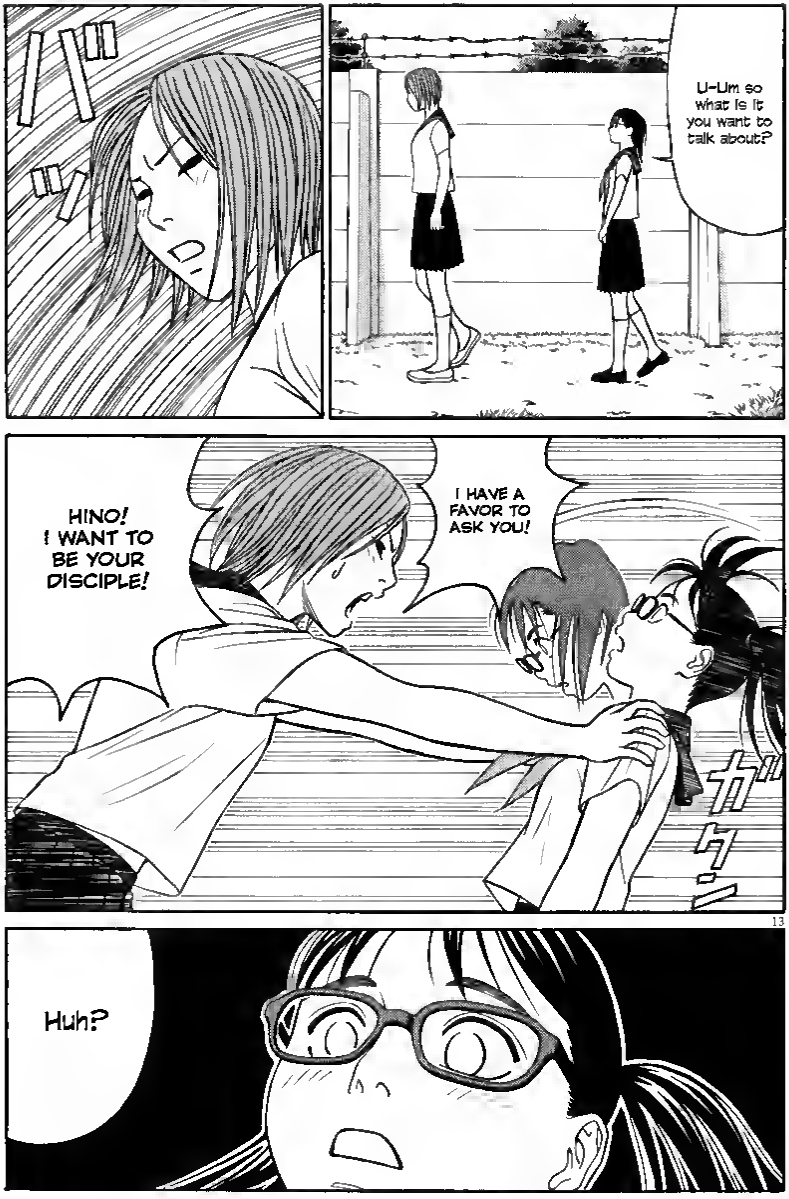
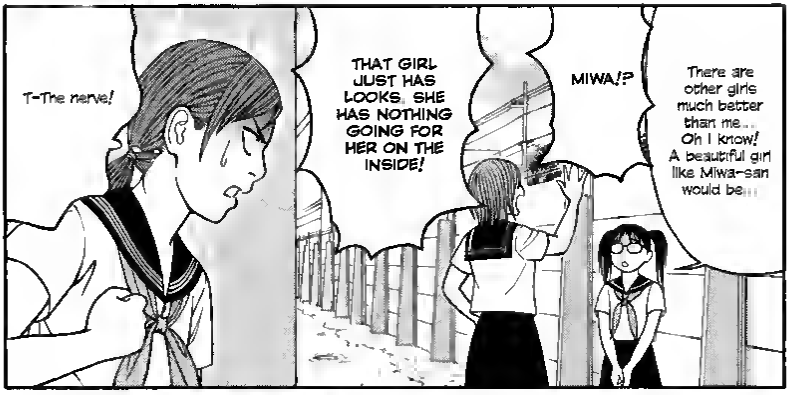
Got a minute?
K-Kamo-san
!
What's this?
!
Ah, I knew she'd be angry

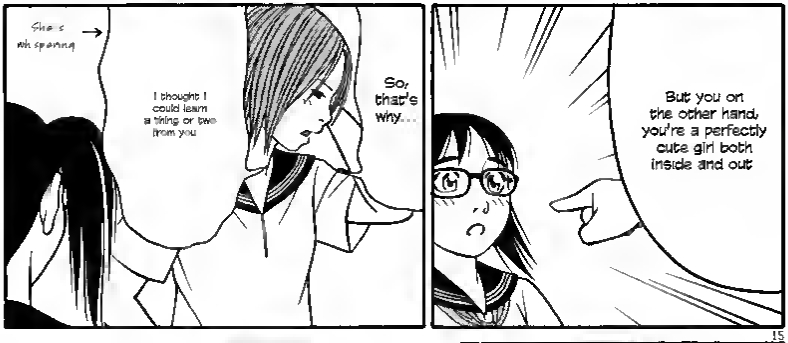


U-Um so what is it you want to talk about?
I HAVE A FAVOR TO ASK YOU!
HINO! I WANT TO BE YOUR DISCIPLE!
ガクー
13
Huh?

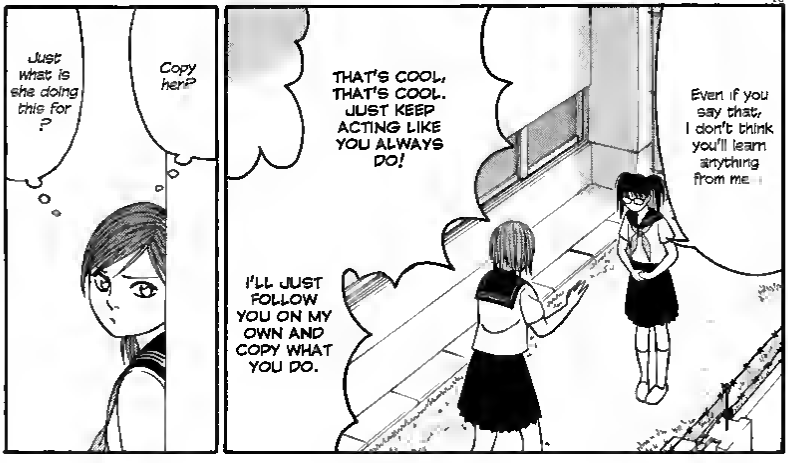
.....
Oh?
What does she mean by that?
Huh, disciple?
But it never occurred to me how to act like a girl.
There's a certain reason that I need to act more feminine.
Then, let me explain it from the top
...Looks like you don't get what I'm saying
Yes, it is!
T-That's not true!
Huuh?
And I think that's you
So I got to thinking. Who is the most feminine girl in our class?
I can't quite hear what's going on from here.
Hmm —



T-The nerve!
THAT GIRL JUST HAS LOOKS. SHE HAS NOTHING GOING FOR HER ON THE INSIDE!
MIWA!?
There are other girls much better than me... Oh I know! A beautiful girl like Miwa-san would be...



She is nervously spanning
I thought I could learn a thing or two from you
So, that's why...
But on the other hand, you're a perfectly cute girl both inside and out



Just what is she doing this for ?
Copy her?
THAT'S COOL, THAT'S COOL. JUST KEEP ACTING LIKE YOU ALWAYS DO!
I'LL JUST FOLLOW YOU ON MY OWN AND COPY WHAT YOU DO.
Even if you say that, I don't think you'll learn anything from me.

Hello.
Oh Hiro.
Good morning sir.
Hello.
Oh, hello.
Good morning.
The next day --
Good morning sir.
Argh, here comes Kamo.
16
What the hell is she doing...?
K-Kamo-san!
WHY DID YOU REACT LIKE THAT WHEN I JUST GREETED YOU!?
WHAT ARE YOU TALKING ABOUT DAMN IT!
HOLD IT! KAMO, WHAT ARE YOU UP TO!?
